

JOIN OUR **OTM** JOURNALISM / ENTREPRENEURSHIP HIGH SCHOOL INTERNSHIP

Students research, write and publish articles about financial literacy, entrepreneurship and business while developing friendships and 21st Century workforce skills in this 3 month mentorship program presented by Economic Awareness Council in partnership with DePaul University. Students will earn a stipend for hybrid meeting attendance and publication.

For full internship consideration, please do the following:
Complete application at www.onthemoneymagazine.org/opportunities (include a writing sample and resume) or send your full name and contact information to kknapp@econcouncil.org to receive the application on September.
